Practice Sane Conservation

The Government wants you and me to conserve in every way we

The conservative use of gasoline will help to maintain an ample supply for all; the wasting of it will curtail its use materially. Buy today what you need tonight and on Saturday what you need on Study your car and CONSERVE ON REPAIRS. Learn the

size of bulbs, fuses, spark plugs you use and keep an emergency supply in your car. Carry an extra tube, cold patches and a boot. See that your batteries are filled and fully charged. Keep a set of tools, jack, tire pump, etc., in your car. Effective August First after six oclock in the evening and on Sundays

and holidays this Garage can only serve you in STRICTLY EMERGENCY CASES OR IN DISTRESS. The very nature of our business demands that we keep a certain

number of men on duty ALL the time to safeguard against fire,

We do and ask you to practice SENSIBLE ECONOMY but not ECONOMICAL NONSENSE. On and after the above date all repairs and supplies are cash.
